### **PROGRAM VALIDATION DECISION**

We have completed our validation of your application for the **Building Renovation Technology** program submitted to us on **May 10<sup>th</sup>, 2017** and leading to the conferring of an **Ontario College Advanced Diploma**.

Please accept this as our validation of your proposal. As a signal of our validation decision, we have assigned the following Approved Program Sequence (APS) number to your program:  
**FANS 01346.**

A copy of this validation decision is being sent to **Ministry of Advanced Education and Skills Development (MAESD)** for their information and records.

However, in keeping with the **MAESD** process for college program funding approvals, we have not sent your documents to the Ministry. Please be advised that you need to submit the documentation directly to the Ministry to complete the approval for funding request, if applicable.

The required documents for the Ministry's funding approval decision are the Board Attestation form, signed by your college president, the Program Delivery Information (PDI) form, and the completed Application for Program Validation form (CVS).

The Ministry will reply separately to your request for funding approval of your program.

Sincerely,

**Karen Belfer**
